Applying for Financial Aid
2027-2028 Academic Year

Hello and welcome to the 2027-2028 Financial Aid season! We partner with Ravenna Financial Aid for our financial aid process. To apply for financial aid at our school, you will complete the financial aid application and submit the required documents indicated below within the Family Portal.

The application is a comprehensive application that will take some time to complete. Give yourself the time you need by not waiting until our deadline approaches. You'll need your most recent tax return before beginning the application. We also recommend reviewing resources to help families with the financial aid process. They are found at **http://solutionsbysss.com/parents/.**

We will communicate our financial aid decision to you. To make our decision, we use the information from your application as a starting point and consider our school policies, practices, and available budget.

- After you pay for and submit your application, the next steps will require you to upload required documents by their deadlines as part of your application process.

How to submit your required documents online (May not be required through Easy Apply)

- Prepare your document files for uploading. Make sure the documents are on your computer and each specific form is saved as a separate file. Examples: a) 1 PDF file for the 1040 with all schedules and worksheets included, b) each W2 saved as its own file. Remove any security or password protection from your files.
- Return to your Family Portal account and confirm you are on the 2027-2028 Academic Year Dashboard.
- Click the “My Documents” tab or the “Manage Documents” link on the dashboard to find your documents. Then, use the Upload button for the required document type you are adding. Follow prompts to locate, select, and confirm the file to upload.
- Click the Submit button to complete your upload. Repeat this process until all required documents are submitted by their deadline
